**84 MM ASM 509**

## **Man-portable structure buster**

**Destroys buildings and parapets  
made of bricks and light concrete**

The ASM 509 for the Carl-Gustaf® M4 excels at destroying buildings and parapets through high pressure and splinter effects. It can be fired in two modes: the Impact Mode (I) for destroying walls, parapets or light armoured vehicles, and the Delay Mode (D) for defeating enemies behind walls or fortifications.
