Saab receives Carl-Gustaf order

Saab has received an order for the man-portable, multi-role weapon system Carl-Gustaf®. The order value is approximately SEK 1.3 billion and deliveries are planned 2024-2025.

“This order proves yet again that Carl-Gustaf is the weapon system of choice for defence forces all over the world, trusted by soldiers facing the challenges of the modern battlefield,” says Görgen Johansson, head of Saab’s business area Dynamics.

Due to the nature of the industry and circumstances concerning the customer, no further information regarding this order or the customer will be provided.

More information about Carl-Gustaf is available here:
