Saab's contract with Poland for Carl-Gustaf enters into force

Saab announced on 4 March 2024 that a contract had been signed with the Polish Ministry of National Defence's procurement authority for delivery of the Carl-Gustaf® M4 weapon, ammunition and training equipment. The agreement has now entered into force as all conditions have been met. As a result, Saab has today booked a value of approximately SEK 12.9 billion in order intake.

Saab is a leading defence and security company with an enduring mission, to help nations keep their people and society safe. Empowered by its 22,000 talented people, Saab constantly pushes the boundaries of technology to create a safer and more sustainable world. Saab designs, manufactures and maintains advanced systems in aeronautics, weapons, command and control, sensors and underwater systems. Saab is headquartered in Sweden. It has major operations all over the world and is part of the domestic defence capability of several nations.
