

Press release 3 March 2026

# Saab publishes its 2025 Annual Report

Saab's Annual Report for 2025 is as of today available on the Group's website [www.saab.com](http://www.saab.com).

The Annual Report 2025 describes Saab's important role in driving innovation to support increased resilience, security and sustainability. It outlines how Saab is delivering on its strategy to contribute to safer societies and strengthening its customers defence capabilities in times of geopolitical uncertainty.

In the report Saab also presents its sustainability efforts during 2025. For the first time this report is compliant with the Corporate Sustainability Reporting Directive (CSRD). Saab's ambition to be a sustainability leader in the defence industry remains.

The report is available in Swedish and English. A printed copy can be ordered by emailing [annual.report@saabgroup.com](mailto:annual.report@saabgroup.com). The Swedish version is also available on Saab's website in European Single Electronic Format (ESEF).

A shorter online version of the Annual Report can be found on [www.saab.com/investors/annual-report-2025](http://www.saab.com/investors/annual-report-2025).

*Saab is a leading defence and security company with an enduring mission, to help nations keep their people and society safe. Empowered by its 28,000 talented people, Saab constantly pushes the boundaries of technology to create a safer and more sustainable world. Saab designs, manufactures and maintains advanced systems in aeronautics, weapons, command and control, sensors and underwater systems. Saab is headquartered in Sweden. It has major operations all over the world and is part of the domestic defence capability of several nations.*

*The information is such that Saab AB is obliged to make public pursuant to the Securities Markets Act. The information was submitted for publication, through the agency of the contact person set out above, on 3 March 2026 at 14.30 (CET).*
