

## **Annual General Meeting of Saab AB on 1 April 2026**

### **Agenda item 16**

#### **THE BOARD'S PROPOSAL ON ACQUISITION AND TRANSFER OF OWN SHARES**

##### **16 a) Authorization for the Board of Directors to resolve on acquisition of own shares**

The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to, for the period until the next Annual General Meeting, resolve on acquisitions of own shares in accordance with the following conditions.

- Acquisitions shall be limited to the Company's shares of series B.
- Acquisitions may be made on Nasdaq Stockholm and in accordance with Nasdaq Nordic Main Market Rulebook for Issuers of Shares.
- Acquisitions shall be made in accordance with the price limitations set out in Nasdaq Nordic Main Market Rulebook for Issuers of Shares, which states that shares may not be purchased at a price higher than the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out. Acquisitions of shares may not be made at a price lower than the lowest price at which an independent purchase can be made.
- A maximum number of shares may be acquired so that the Company's holding at any time does not exceed 10 per cent of the total number of shares in the Company.
- The authorization may be utilized on one or several occasions up to the next Annual General Meeting.

The purpose of the authorization is to be able to adjust the Company's capital structure and thereby contribute to an increased shareholder value as well as to enable a continuous use of acquired shares in connection with potential acquisitions of companies and, where applicable, for the Company's share-based incentive programs.

##### **16 b) Authorization for the Board of Directors to resolve on transfer of own shares in connection with acquisitions of companies**

The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to, for the period until the next Annual General Meeting, resolve on transfers of own shares in connection with or as a result of any acquisition of companies, in accordance with the following conditions.

- Transfers may be made on Nasdaq Stockholm at a price per share within the price range (spread) applicable from time to time, meaning the spread between the highest purchase
-

price and the lowest selling price prevailing and disseminated by Nasdaq Stockholm from time to time.

- Transfers may take place as set out in Chapter 19, Sections 35-37 of the Swedish Companies Act, i.e. in other ways than on the Stock Exchange.
- Transfers in connection with acquisitions of companies or operations shall be executed at a price that closely corresponds to the market value of the Company's share at the time of the resolution on the transfer.
- No more than the number of shares of series B that the Company holds at the time of the Board of Directors' resolution may be transferred based on this authorization.
- The authorization includes the right to resolve on deviation from the shareholders' preferential rights and that payments could be made other than in cash.
- The authorization may be utilized on one or more occasions before the next Annual General Meeting.

The purpose of the authorization is to provide the Board of Directors with increased scope for action in connection with financing of acquisitions of companies.

The reason for deviating from the shareholders' preferential rights is to enable alternative forms of payment for acquisitions of companies or operations.

### **16 c) Authorization for the Board of Directors to resolve on transfer of own shares to cover costs as a result of previous years' implementation of incentive programs**

The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to, for the period until the next Annual General Meeting, on one or more occasions, resolve on transfers of a maximum of 1 200 000 shares of series B, in order to cover certain costs, mainly social security costs, that may arise in relation to Share Matching Plan 2023, 2024 and 2025, as well as Performance Share Plan 2023, 2024 and 2025, and Special Projects Incentive 2023, 2024 and 2025.

Transfers of the shares shall be effected at Nasdaq Stockholm at a price per share within the price range (spread) applicable from time to time, meaning the spread between the highest purchase price and the lowest selling price prevailing and disseminated by Nasdaq Stockholm from time to time.

---

Resolutions in accordance with items 16 a), 16 b) and 16 c), respectively, above require that shareholders representing at least two-thirds of the votes cast as well as the shares represented at the meeting are in favour of the proposal.
