

DATA PRIVACY POLICY

Saab is committed to data protection and to proactively address and correct business practices that may lead to violations of individuals' privacy and breaches of applicable data protection and privacy laws.

This will be achieved through:

- developing and implementing internal rules, procedures and tools to identify, assess and manage data privacy risks
- continuously training and informing relevant personnel about privacy risks
- promoting a strong privacy culture at all levels of the company
- monitoring and controlling compliance with internal rules and procedures
- implementing and maintaining appropriate channels to report data breaches
- identifying and monitoring relevant legislation and best practice
- maintaining a data privacy organization under the lead of a data privacy officer.

Micael Johansson
President and CEO, Saab AB

Saab serves the global market with world-leading products, services and solutions within military defence and civil security. Saab has operations and employees on all continents around the world. Through innovative, collaborative and pragmatic thinking, Saab develops, adopts and improves new technology to meet customers' changing needs.
