

QUALITY POLICY

This policy serves as a guiding framework for all Saab operations, ensuring that quality is an integral part of everything we do.

Our products and services shall fulfil our customers' and other stakeholders' requirements.

This will be achieved through:

- quality objectives are aligned with our strategic direction
- good relationships with our customers, business partners, society and other relevant stakeholders
- embracing new ideas to drive quality and efficiency
- a global management system with effective processes, methods and tools, which are continuously improved
- leadership with purpose and a culture that understands and drives quality throughout the business
- living our values: trust, drive and expertise and creating a work place with satisfied employees.
