SAAB

In partnership with Saab, you have access to a vast array of systems that provide a higher level of security and greater operational efficiency. Our extensive experience allows us to tailor our integrated solutions to meet your specific needs, enabling you to effectively safeguard your waters.

Visit us at our stand and discover how our thinking edge drives innovation above and below the surface. On display will be one of our submarine models, the CB90 Next Generation, the RBS15 anti-ship missile and the MuMNS – the latest addition to the Double Eagle family of mine neutralisation systems. Our other products on display include TactiCall Integrated Communications Solutions, the AUV62-AT training platform, and the Sea Giraffe 1X naval radar.

We look forward to welcoming you at stand **H55, Hall 2B**

NOTE: This invitation is not valid as an entrance ticket to the exhibition.
