

**SAAB**

Saab is inviting you to join us at

# Singapore Airshow

**3-8 February 2026**

**Changi Exhibition Centre, Singapore**

We are excited to exhibit our comprehensive range of advanced solutions to address threats across every domain. Highlights on display include:

Saab's **Counter-UAS systems**, proven and available, with an unrivalled ability to detect, identify and neutralize one of today's fastest-growing threats.

**Total Airport Management solutions** that optimize efficiency, safety and resilience of airport operations.

The new **Gripen E/F multi-role fighter**, unlocking a new era of technology and capability to counter and defeat advanced future threats.

**Training & Simulation solutions**, the frontline of modern training.

Also on display are Radar Solutions, Electronic Warfare, Missile Systems, Ground Combat Systems, and much more.

We would be delighted to meet you at the **Saab stand A-G27**
