

DEPLOYABLE MAINTENANCE FACILITY

Enhanced capability - Anywhere, anytime

The complete solution

Increased aircraft maintenance capacity for maximum operational availability with minimum logistics footprint – even in harsh and isolated locations

MOBILE

MAINTENANCE HANGAR

Rapid deployment

FLEXIBLE

MODULAR MAINTENANCE
CONTAINERS

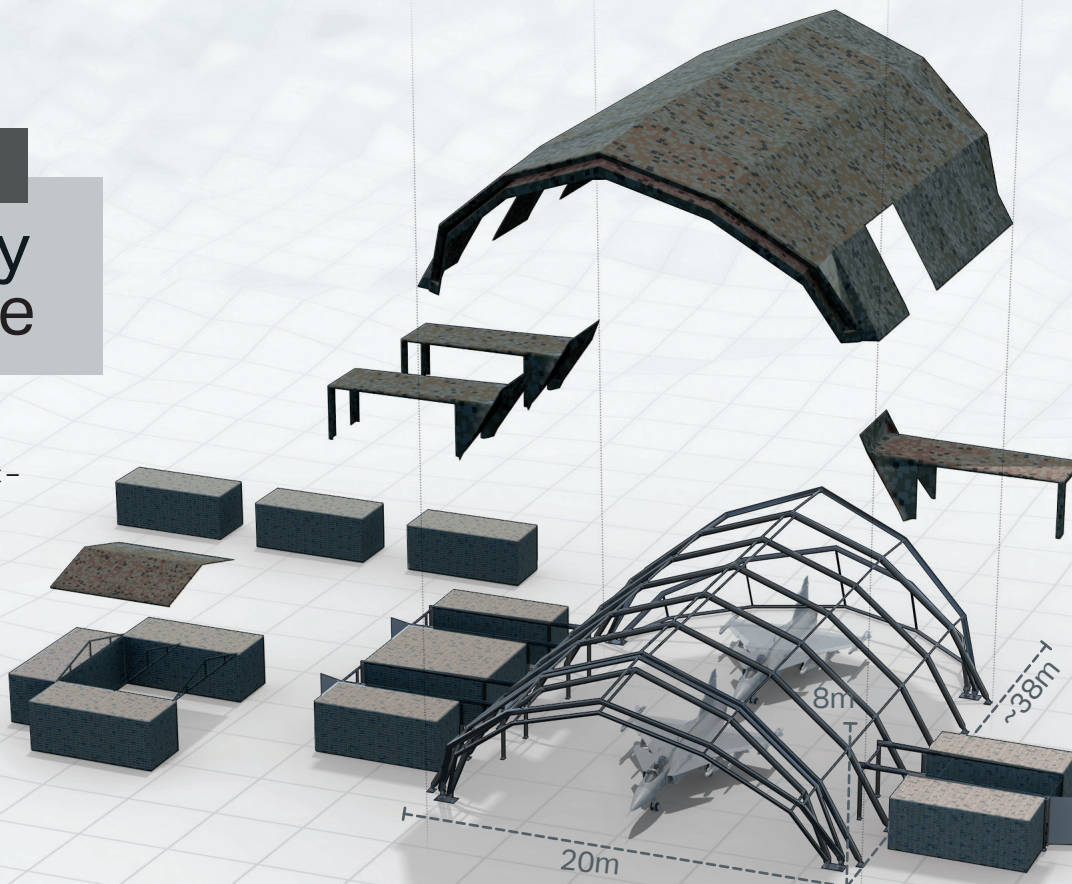

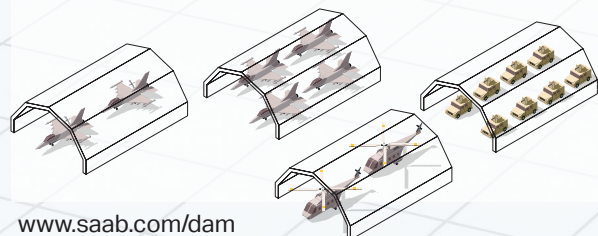

Mission optimised

HIGHLY DURABLE

- + Can be deployed for years with minimal maintenance
- + Robust – lightweight, aluminium frame covered with high-strength PVC fabric
- + No compromise – equal strength to a fixed building

SCALABLE

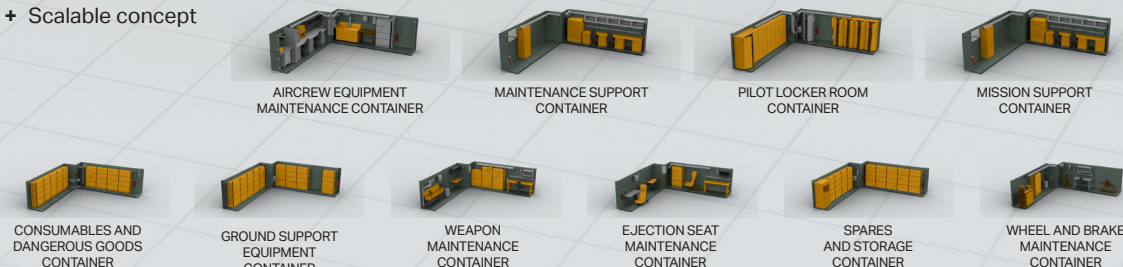

- + Hangar extendable to unlimited length
- + Flexibility illustrated as follows:
 - 2 fighter jets for maintenance
 - 4 fighter jets for sheltering
 - A range of helicopters and other vehicles

Uniquely optimised maintenance

- + Enhanced workshop capacity
- + Adaptable furnishing
- + Scalable concept

EXEMPLIFIED CONTAINER CONFIGURATIONS

RAPID
